Rush Plan Review Service

The Building Department offers Rush Plan Review Service available for select trades. This expedited option reduces the standard review cycle from five (5) business days to three (3) business days.

- Roofing Review: $67.50
- Electrical Review: $67.50
- Plumbing Review: $67.50
- Mechanical Review: $67.50

Important Notes:

- Rush service fees apply per review cycle.

- Rush fees must be paid in full prior to the start of the review.
- The rush service applies only to the plan review process; it does not expedite application intake or final permit processing.

When completing your permit application, choose “True” in the **Expedited** selection.
